Council Worksession  
June 1, 2016  
Public Safety/Fire Department Training Room

The worksession was called to order at 7:00 P.M. by Mayor Keith Wagoner.

Flag Salute

ROLL CALL: Present: Mayor Keith Wagoner, Councilmembers: Germaine Kornegay (Late – Arrived at 8:05 P.M.), Brenda Kinzer, Julia Johnson, Chuck Owen, Rick Lemley and Brett Sandström. Staff: City Supervisor/Attorney Berg, Public Works Director Freiberger, Leo Jacobs, Debbie Allen, David Lee and Ken Clark and Neil Ishihara, audience member.

### **ROUNDTABLE DISCUSSION**

- Councilmember Johnson gave a report about her recent trip to Kilkinney, Ireland.
- Mayor Wagoner and Councilmember Owen reported on a Crime Watch meeting this morning as well as some updates to the program. The city will be purchasing uniform jackets for the volunteers.
- Councilmember Lemley talked about the upcoming Blast from the Past.
- Councilmember Kinzer asked about the Crime Watch Program. She also asked about establishing a Block watch program.
- Councilmember Owen talked further about the Crime Watch program and their routine duties to include vacation checks, suspicious activities patrol and special event support.
- Councilmember Johnson reminded Councilmembers that any articles for the City Scene Magazine are due June 20<sup>th</sup>.
- Mayor Wagoner mentioned that the Skagit Valley Herald wrote a story about out the new Memorial Park caretaker and KOMO 4 News covered the newly installed “internet exchange” parking spaces at the Sedro-Woolley Police Department.

### **DEPARTMENTAL REPORT: Public Works**

Public Works Director Freiberger introduced the public works team and began the departmental presentation with David Lee, City Engineer. Lee provided an overview of the Engineering Department’s functions including development review, NPDES compliance noting there are 2490 catch basins in the city and more than 100 stormwater systems. He also addressed project design and management, inspection, interdepartmental coordination and maintaining and updating GIS with city infrastructure.

Debbie Allen presented the Waste Water Treatment Plant review with a PowerPoint presentation (attached).

Nathan Salseina presented the Public Works Operations Department overview with a PowerPoint presentation as well (attached).

Leo Jacobs presented the Solid Waste/Fleet Department report with a PowerPoint presentation (attached).

With no further business to conduct the worksession adjourned at 9:10 P.M.
