

Status of Negotiations with District

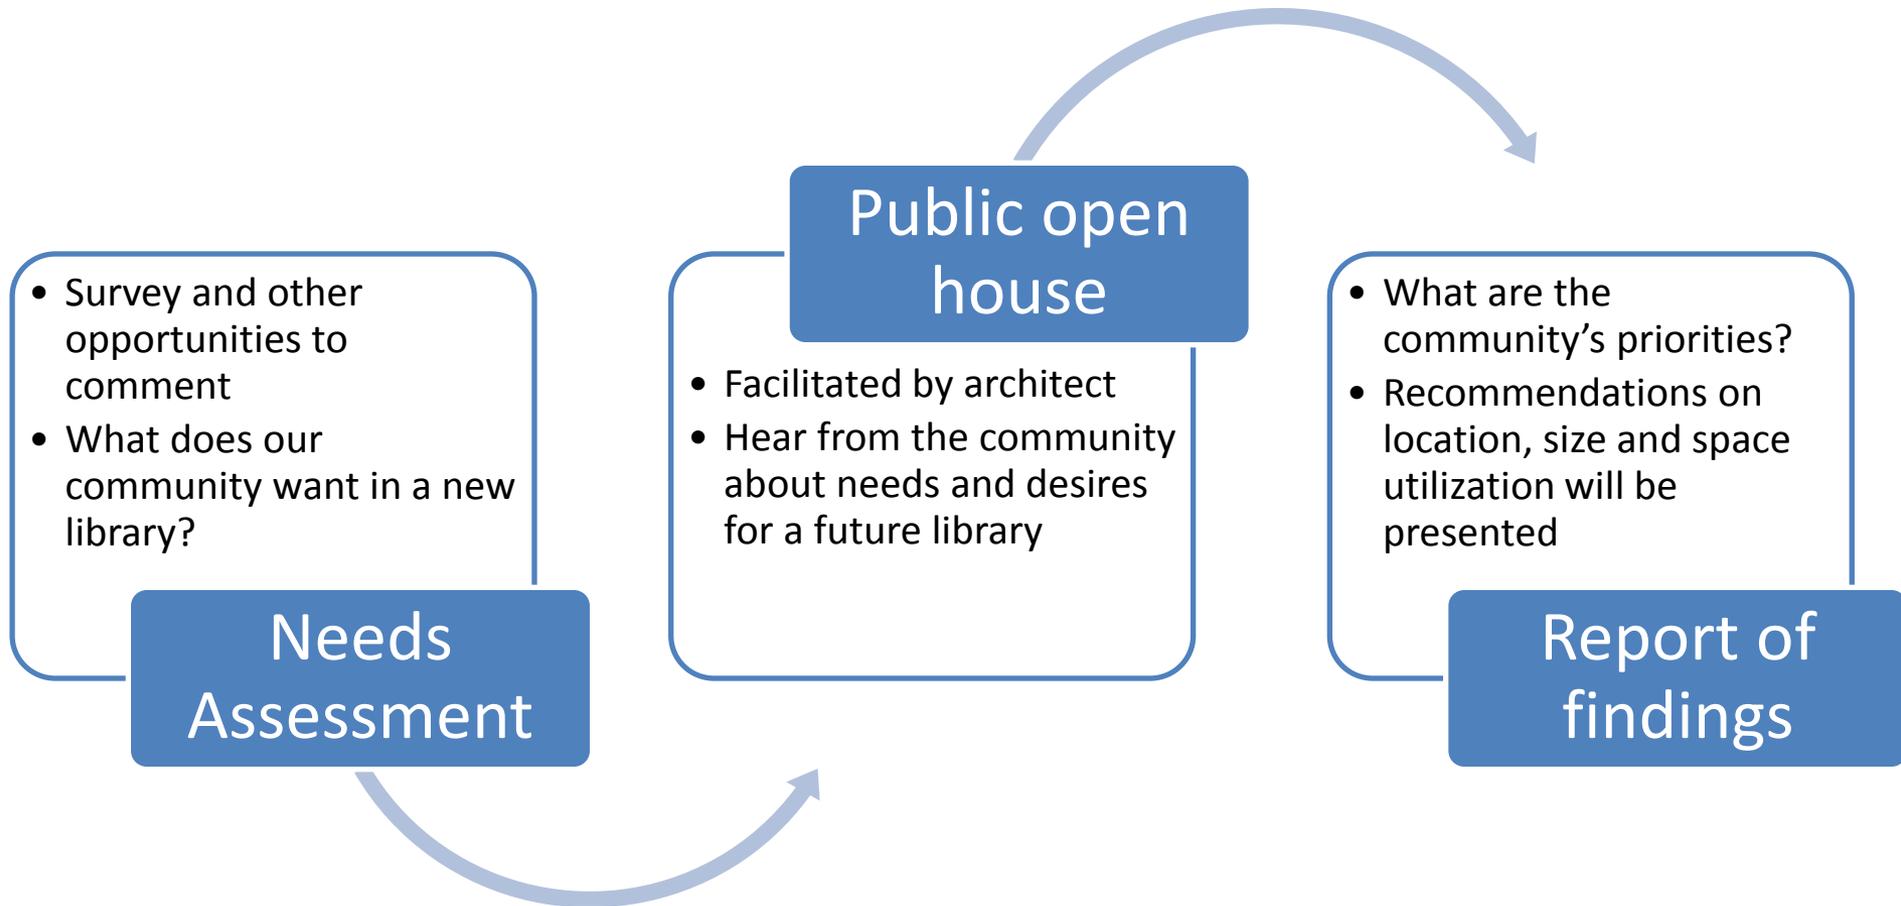

- **1-21-2016** mayor proposed a partnership concept
- **4-5-2016** district's response to the concept
- **5-9-2016, 5-31-2016 & 6-6-2016:**
City and district negotiating teams met and discussed the conceptual proposals
- **7-25-2016** No additional meetings are scheduled
- It is unknown today if the negotiating teams will make a recommendation to the city council, but if a recommendation is made, the council has committed to at least four meetings with public process prior to approval

Public process for if & when the negotiating team makes a recommendation:

SHKS Architects has been hired by the city to lead us through an assessment process:

This process is separate from and in addition to the council's process to consider partnership with the district.
