

Sedro-Woolley, Washington
July 31, 2012

FOR IMMEDIATE RELEASE

Garbage collection within the Sedro-Woolley City limits and at the Upper Skagit Indian Tribe is not affected by Waste Management's labor disruption. The City's trucks are running on schedule and on their normal routes.

Customers who subscribe to Waste Management's yard waste recycling service may experience a disruption in service, please contact Waste Management for information about what to do with those containers. Waste Management's customer service number 360-757-4068.

Residential curb side recycling service is provided for Sedro-Woolley residents by Waste Management and those customers may experience a disruption in service, please contact Waste Management with any questions.

Customers in recently annexed areas (you receive your garbage service from Waste Management and are billed for garbage from Waste Management) may experience a disruption in garbage service, please contact Waste Management with any questions.

For more information, contact Eron Berg at 360-855-9922.
