

# Carve your name in stone!

Carving your name in stone will help  
Sedro-Woolley's Hammer Heritage Square remain beautiful!

Would you like to give a gift that would last forever?  
Ever wanted to memorialize or honor a loved one, or someone special in your life?  
An inscribed brick paver placed permanently in the beautiful walkway of  
Sedro-Woolley's Hammer Heritage Square is the answer.

Inscribed brick pavers are great for memorials, special recognition of family members or other individuals.

achievements ,service clubs, organizations, retirements, anniversaries, reunions...etc.
